**Pathways to Responsible Fatherhood**

Free program that concentrates on father-child interaction, positive parenting, economic stability and healthy relationships for fathers or soon to be fathers. For more information call (860) 757-0827.

**Triple P**

Positive Parenting Program's aim is to increase parental competence and confidence in raising children by increasing parents' competence in managing common behavior problems and developmental issues, parents' using positive methods of disciplining children, improving parents' communication about parenting issues and reducing parenting stress associated with raising children. Parents will meet one on one with a trained practitioner. For more information or to schedule an appointment please call (860) 757-0827.

**Circle of Security Parenting**

8-week parenting program designed to help parents and caregivers increase their awareness of their children's needs and whether their own responses meet those needs. Parents learn to understand children's needs and behavior. The program offers effective ways to respond to these needs and behaviors.

**Family Literacy Program**

Families with children ages birth to 8 years old. The program will assist parents in becoming advocates for their child's Literacy through songs, books, puppet shows, and arts & crafts. overall academic growth, and develop early critical thinking and reasoning skills.

**Concepts for Adaptive Learning**

Parents or guardians of school-age children, grades K-12. Concepts for Adaptive Learning, in partnership with The Connecticut State Library, is pleased to offer the opportunity to receive free computer training, a refurbished computer, home installation, and a year of high speed internet service for qualifying families. Participants receive 10.5 hours of basic computer skills training, including word processing, email, Internet browsing and basic computer maintenance.
